

# Juniors - Harry Potter

Charlotte: Professor McGonagal  
Ariadne: Harry Potter  
Essie: Hermione Granger  
Sophia: Ron Weasley  
Adi: Ginny Weasley  
Shelley: Fleur Delacour

## Hogwarts Song

Hogwarts Hogwarts Hoggy Warty Hogwarts  
Teach us something please-  
whether we be old and bald  
or young with scabby knees-  
Our heads could do with filling  
with some interesting stuff  
for now there bare and full  
of air dead flies and bits of fluff

Mcgonagal: Good morning students and welcome to Transfiguration class!  
My name is Professor McGonagal and I will be your teacher for this class.  
Now, who can tell me what this class involves?

Hermione: Transfiguration is the art of changing the form or appearance of  
an object or person.

Mcgonagal: Correct! Thank you Hermione. Now... do we have Mr Harry  
Potter?

Harry: Here Professor

Mcgonagal: Hermione Granger?

Hermione: Present

Mcgonagal: Ronald Weasley?

Ron: I'm over here Miss!

Mcgonagal: Ginny Weasley?

Ginny: Yes professor

Mcgonagal: And Fleur Delacour

Fleur: Present Professor

Mcgonagal: Now, find a partner and prepare your wands.

Ron: (whispering to Harry) Of course old McGonagal has a *fir wood* wand.  
She must be a hundred years old! (Harry laughs)

Mcgonagal: Mr Weasley and Mr Potter, for that you can go first.

Ron: Uh oh...ready Harry?

Harry: Ready as I'll ever be...

Ron: Ok... here goes... erm... evanesco? I mean...no... wait...Harry? Harry where are you?

Harry: I'm right here Ron! Hello! Right in front of your eyes, look! (Harry waves his arms in front of Ron)

Ron: I can hear you, but I can't see you. Oh help! Professor, professor! I've accidentally disappeared Harry!

Mcgonagal: So you have. Granger, can you help.

Hermione: Of course, professor. They're always doing this. Honestly Ron, you must pay more attention. Evanesco is clearly a vanishing spell, which you'd know if you'd studied. You're lucky I know the reversal charm. Finite Incantatem!

Harry: Am I back?

Hermione: You're back.

Mcgonagal: Fantastic work Hermione - A+! Ron and Harry - F!

Harry: Oh no...

Ron: Sorry Harry...

Mcgonagal: Ginny and Fleur, lets see if you can do better.

Fleur: Of course professor. I'll go first.

Ginny: Actually, I wondered wether I could have a go, I'd like to...

Fleur: Silencio, Griffindor! As a Slytherin, I am of the superior house and therefore will be going first. I will decide on the transfiguration and that's final.

Ginny: But that's not fair, let's discuss it, we're meant to be working as a team.

Fleur: Silencio! I don't work as a 'team' with Weasley's. Now, let me think... I've got it. Animagus!

(Ginny turns into a rat)

Ginny: (angrily) Squeak, squeak! Squeaky squeak squeak!

Ron: Hey, don't you turn my sister into a rat!

Fleur: I think you'll find, I have performed an incredibly competent transfiguration here and since we are in transfiguration class, I will be passing with flying colours, whilst Ginny here will be.. well... eating some cheese.

McGonagall: A very clean spell ladies, but your teamwork needs some improvement - B+. Class dismissed!

### **Something Wicked This Way Comes**

Double, double, toil and trouble.  
Fire burn and cauldron bubble.  
Double, double, toil and trouble.  
Something wicked this way comes!

Eye of newt and toe of frog,  
Wool of bat and tongue of dog,  
Adder's fork and blind-worm's sting,  
Lizard's leg and owlet's wing.

Double, double, toil and trouble.  
Fire burn and cauldron bubble.  
Double, double, toil and trouble.  
Something wicked this way comes!

In the cauldron boil and bake,  
Fillet of a fenny snake,  
Scale of dragon, tooth of wolf,  
Witches' mummy, maw and gulf.

Double, double, toil and trouble.  
Fire burn and cauldron bubble.  
Double, double, toil and trouble.  
Fire burn and cauldron bubble!

Something wicked this way comes!
