Crystal: Little old Seymour was walking in the flower district one day...

Ronnette: When he passed by this place where an old man sells him weird and exotic cuttings

Chiffon: Cause he knows, you see, strange plants are Seymour's hobby

Diamond: He didn't have anything unusual there that day

Crystal: and Seymour was about to walk on by...

Ronnette: When suddenly, without warning there was this

ALL: TOTAL ECLIPSE OF THE SUN

Chiffon: It got very dark, and Seymour heard a strange humming sound, like something from another world.

Diamond: And when the light came back, this weird plant was just sitting there.

Crystal: Just there, you know, amongst the hydrangeas.

Ronnette: Seymour could've sworn it hadn't been there before...

Chiffon: But the old man sold it to him anyway.

Diamond: For one dollar ninety five.

Crystal: And that's where it all began

Ronnette (pretending to be a newsreporter): Breaking news! New plant species, never seen before! Come and visit this Little Shop and it's strange and fascinating plant.

Chiffon: And, oh boy, did people visit...

Diamond: 50 dollars to view the strange and fascinating plant. Roll up, roll up...
