

All:

Once there was a brave girl
Chosen by the sea
To save her village
...Moana!

Villagers dance and welcome the audience

Villiager 1: Welcome to our village. All of us here live in harmony. We live off the land and the sea and we are happy here. My family are farmers. We water our crops and watch them grow into fantastic fruits and vegetables!

Villiager 2: My family are fishermen. We go out on the sea in the daytimes and bring back plenty of fish for everyone to eat - yummy! We are so happy here!

Villiager 3: My family are teachers. We keep the children of the village safe and we teach them all about life here so they can grow up big and strong and live happy lives. We love to read, draw and play games!

Villiager 4: But the history of the village was not always so happy. Many years ago, we had terrible troubles. The plants would not grow and we had no food to look after the people of the island. It was awful!

Villiager 5: Our village was in terrible danger. Only the one chosen by the sea could save us. But she was just a young girl and had never left the safety of our village.

Villiager 6: The young girl's name was Moana. She was brave and her village needed her. So she got on her boat. And she set off on a dangerous adventure.

Villiager 7: She had to travel all the way to the island of Tefiti, to restore the heart and save our village. Look at the horizon! It looks so far away from here!

SONG - HOW FAR I'LL GO

There's a line where the sky meets the sea. It calls me
No one knows, how far it goes
There's a moon in the sky and the wind is behind me
Soon I'll know, how far I'll go
X2

Villiager 8: Moana sailed towards the horizon. The sea was wobbly with crashing waves all around. And the wind was strong, blowing the boat this way and that way.

All: WHOAAAA

Villiager 9: Moana needed help so she asked the great Maui. He was a Demi God and Moana was sure he could help her on her quest. But he was such a show off! He only had one thing to say...

All: You're Welcome!

SONG - YOU'RE WELCOME

What can I say except "you're welcome"?
For the tides, the sun, the sky
Hey, it's okay, it's okay, you're welcome
I'm just an ordinary demi-guy!
You're Welcome
You're Welcome

I could go on and on and on
I am a phenomenon
The tide, the grass, the sky, the sea
It's all me!

What can I say except "you're welcome"?
For the tides, the sun, the sky
Hey, it's okay, it's okay, you're welcome
I'm just an ordinary guy
X2
You're Welcome
You're Welcome
Thankyou!

Villiager 10: Together Moana and Maui were a brave team. They battled the sea. They braved the wind. They even met a giant crab! It was scary at times, but it was a fun adventure.

JOURNEY SEQUENCE

Villager 11: Finally, they made it beyond the horizon and returned the heart of Te Fiti. The village was saved! We were all so happy and grateful to Moana!

ALL: Thankyou Moana!
